

## Keller Williams opens office in Lewes

Throughout the United States and Canada, the top 20 percent of real estate producers have the opportunity to join the Agent Leadership Council which, in conjunction with the team leader and market center administrator, runs the office. The broker is involved when required but he or she is not the only person making decisions regarding how the office should operate. The Keller Williams model is more democratic.

Members of the Agent Leadership Council at Keller Williams' newest Delaware office at 1521 Savannah Rd., Lewes are (l-r) Jim Malloy, team leader; Doreen Lucas, one of the owners; Bob Jennings; Debi Fenimore; Tim Foley; May Shanaphy; Pat Norberg; Ann Malloy and Teresa "TC" Cason.

For more information about Keller Williams, call Jim Malloy at 302-542-0815, or email [ajmalloy@comcast.net](mailto:ajmalloy@comcast.net).
